

**U3A Martock meetings are held at the Martock Parish Hall**

**every 2<sup>nd</sup> Wednesday 14.00 to 16.00**

The University of the Third Age (U3A) movement is a unique and exciting organisation which provides, through its U3As, life-enhancing and life-changing opportunities. Retired and semi-retired people come together and learn together, not for qualifications but for its own reward: the sheer joy of discovery!

Following a very successful launch meeting on 23<sup>rd</sup> May 2017 which approximately 120 people attended, during the meeting it was agreed that Martock would start a new group, a steering committee was set up and the new Martock Group has a full U3A Committee.

All are welcome to find out more, join and perhaps volunteer to start an interest group. There are no entrance qualifications, set curriculum or examinations, members share their skills and life experiences: the learners teach and the teachers learn, and there is no distinction between them.

Those of you who could not get to the U3A Launch meeting on 23 May can still register your interest by picking up a contact form at the Information Office in Martock (at the Pinnacle). Please could you make sure to provide your interests and contact information – landline and email please this will help us keep in touch and let people know of interest groups etc.
