A MESSAGE FROM THE BENEFICE

Dear Friends

Lent 2020 is here, and so too is the Church of England's Lent Challenge, entitled 'Live Lent: Care for Creation'. In this period of 40 days - when we recall Jesus' testing in the wilderness, and reflect on our own lives in the Light of His - it seems, to me, so appropriate that we should face up to the inordinate challenge of a climate in crisis.

The challenge is one that the whole world must face up to. Global warming, environmental destruction, species extinction, rising sea levels... the list goes on...

Small wonder, then, we can feel so overwhelmed by the enormity of the challenge. Perhaps the greatest challenge is not so much its scale, or indeed the decisive actions world leaders must take, but rather the challenge of finding our place within this time... a time when the natural world needs each one of us to play our part...

There is but one question we have to ask ourselves, 'what must I do?'.

It is, of course, essential that we all take the necessary steps to ensure we are carbon neutral by 2030 (or earlier), but why limit our response in these terms alone? Could we not answer that question - 'what must I do?' - by considering what, inspired by our faith and spirituality, do we love about the beautiful and precious world God has created?

From a theological perspective, the natural (non human) world is of intrinsic, immeasurable value to God. All living things are created by God, as such there is that of God in all that is, and has ever been, created. Biblical texts which point to this truth are numerous, and the collected wisdoms of spiritual writers (from various faith groups and religious traditions) are too many to mention.

From the preservation of wildflower meadows, to the removal of plastics from the oceans; from the welfare and protection of animals, to the restoration and replanting of ancient woodlands; each one of us needs to be reminded that God loves creation, so we should too.

In peace and love,

Dickon

ASH W.I

Lorraine welcomed Jill Perryman, our speaker for the evening. Jill's talk, '57 cathedrals, a quirky perspective, was illustrated with pictures from each cathedral she visited and interspersed with tales of (mis)adventures in her camper van! Here are just a few of the many guirky features and facts. **Oban** was begun in 1800: it's not finished yet and the altar faces north! Inverness was designed with 2 spires, but they were too heavy, so it has 2 towers instead. The first Bishop of the Episcopal Church of America was consecrated at **Aberdeen** Cathedral in 1784: the state crests are painted on the ceiling. At **Ripon**, there is a wooden hand installed high up on the organ loft in 1695 so that the organist could conduct the choir. The hand is operated by a lever at the organ console. **Bradford's** altar frontal is a community sewing project where anyone who wishes may add some stitches. At Portsmouth, Jill noticed figures sculpted from driftwood, whilst at Winchester, the helmet worn by diver Will Walker, and his statue caught her eye. Look closely at the stained glass in Worcester, and you might spot a pink giraffe and a white elephant! **Chester** features a list of offences and fines ranging from burning at the stake for witchcraft to a fine of sixpence (6d) for non attendance, and at **Sheffield**, you can see almost life-sized steel figures in its Nativity scene. Newport (South Wales) St Woolo's cathedral is one of the smallest. In winter months, it opens its doors for the homeless. Nearer home, **Exeter** has a line of cushions that illustrate its history, and it boasts a very ancient wooden door with a cat flap!!

Next month, on *March 9th*, Ross Atkins will speak to us about Dawe's Twine Works and curiously, Members who have one are requested to bring a skipping rope.....?!

ASH GARDENING CLUB

This month's meeting was well attended and the speaker was Elaine Marks. Elaine is a local Willow Sculpture artist, which is something she took up after a career in a totally different field and is completely self taught. Elaine came along with her husband David, David makes the metal work for some of the larger pieces that need frames and also the penny farthing bicycle which is a huge piece with a willow man on top of it. There were also various smaller pieces such as a hen and pigs, all very beautiful. Elaine also runs workshops so if you want to have a go look out for these. After giving us a brief history of how she started on this path we were all given the chance to have a go with some willow, which was great fun. Look out workshops here we come.

The next meeting will be on the <u>23rd March</u> – The topic will be Gardening for Climate Change – Gold Club Speaker. Guests are welcome to attend. Members will need to bring along there bulbs for the competition at this meeting.

MINUTES OF A MEETING OF THE PARISH COUNCIL – Monday 3rd February 2020, Ash Pavilion at 7.30pm

Councillors Present:

Jack Parker (Chairman) Antoinette Groves (Vice Chair)

Nick Bluck Roger Coombes Gayle Defries Hugh Thomson

In attendance: C. Cllr & D. Cllr Neil Bloomfield, D. Cllr Louise Clarke, the clerk and 6 members of the public

20/01. Apologies for absence. Cllr Mock

20/02.Members declaration of interests. Cllr Groves declared an interest in item 20/14c.

20/03. To approve the minutes of the meeting held on 6th January 2020. <u>RESOLVED:</u> The minutes were approved as a true and accurate record of the meeting held.

20/04. Matters to report from previous meetings.

Cllr Thompson reported that Barrett Homes had withdrawn their appeal. He had received some positive responses on the Draft Tree Policy which went out as an Ash Alert to residents. Cllr Groves reported that a notice had gone out in the Ash Newsletter asking residents to keep their hedges tidy and the footpaths clear of overhanging shrubs.

20/05. District and County Councillor reports.

C. Cllr Bloomfield provided a report on the Coat Road, Martock application and further detail on the reasons why the appeal was pulled. It was believed that Barrett Homes would submit plans for further housing on adjoining land in the future. He explained that generally the conduct of SSDC planning department and decision making processes was questionable and they were in receipt of many complaints. He further reported that currently the SSDC Local Plan stood at 4 ½ yrs, made up by inappropriate sized developments in the wrong place. Somerset County Highways had backed down over their 'retrospective' SID agreement enforcement, and were now taking a softer approach

20/06. Correspondence.

a. Responses to letters sent from the last PC meeting.

Items reported on by the clerk included residents response to request for clearing the culvert, repair to bus stop timetable, request for grant from Citizens Advice (South Somerset), request for Somerset Highways to fill the newly installed grit bin, correspondence relating to dog fouling in the parish, letter from residents regarding inconsiderate parking in the Pavilion car park.

<u>RESOLVED:</u> It was proposed and agreed that the grant request from Citizens Advice could go on the next agenda.

ACTION: Clerk

<u>RESOLVED</u>: It was proposed and agreed that a letter would be sent to the group responsible for the inconsiderate parking reminding them to park considerately.

ACTION: Cllr Mock

20/07.Planning.

a. Decisions reported.

19/03129/HOU – 29 Back Street, Ash, erection of a first floor extension & porch. **Approved.**

19/02632/PAMB – Barton Court, Ash, change of use of agri. building to dwelling house. **Approved.**

18/03860/R3C – Ash Primary School, ramped access path between school & village hall. **Permitted.**

Applications received for consideration.
 19/03160/REM – Barton Court Farm, Martock Lane, Outline application for residential development of 1 dwelling.

RESOLVED: The PC agreed that they had no observations or comments.

19/03526/S19 – Courtfield House, Milton Lane, Ash, Application to vary the approved plans to allow a change in design and appearance of the timber framed first floor.

RESOLVED: The PC agreed that they had no observations or comments.

c. Other planning matters. None

20/08. Environment.

a. Items for the Parish Ranger

Cllr Thomson agreed to meet with the Ranger on 25th Feb and direct the work required in the Cemetery. Cllr Defries requested that the playground equipment be cleaned, should the Ranger have time.

b. Village car park repair

Cllr Groves reported back on the repair to the fence of the village car park and asked the clerk to request that the SSDC maintenance team refrain from further damaging the bottom of the posts whilst strimming. There was a suggestion that perhaps the posts should have a protective guard, or possibly be replaced.

c. Management of the grass cutting contract

Cllr Parker asked the clerk to send a copy of the current contract to all Cllrs so they could check the work had been carried out across all areas, then to request a meeting with SSDC Environmental Service Team to discuss any issues with the current work and the contract renewal.

ACTION: Clerk

20/09. The Recreation Ground and Play Area general report.

The clerk provided Cllr Defries with the play inspection report and this was briefed to the council. Cllr Defries summarised the report with all risks identified either very low, low or moderate, with nothing significant or requiring immediate attention. General cleaning and tidying were to be carried out by the Ranger and Emergency Contact signs required replacement.

ACTION: Cllr Defries

20/10. Highways.

a. Issues reported to SCC Highways and any responses received The clerk had reported to SCC Highways significant damage to all of the signs through the village, caused by landowners hedge trimming. Highways had responded saying that they would inspect and rectify any damage as required. They had also agreed to inspect the verge damage along Martock Lane for safety defects. They advised that the proposed traffic calming scheme through Ash was a Small Improvement Scheme (SiS) and that further information would be available from C. Cllr Neil Bloomfield.

20/11. The Pavilion.

a. Pavilion repairs and refurbishment

Cllr Parker provided a brief of the events that led to the purchase of the land the Pavilion occupies thus enabling the PC to raise money through the precept for the renovation of the Pavilion building. It was now felt that the time had come for a committee to be appointed to manage this project, and the production of a Functional Specification for the Pavilion. Cllr Parker proposed that he and Cllr Mock be appointed to the Pavilion Committee and invited any other Cllrs to join. The committee would need a member to represented the users and someone to produce the spec. although the existing spec. for the Village Hall could be used as a starting point. Cllr Groves expressed an interest in the project and offered to join the committee.

<u>RESOLVED</u>: It was proposed and agreed to form a Pavilion Committee and for Cllr Parker, Cllr Mock and Cllr Groves to sit on the committee.

b. Car park maintenance

There was nothing reported at this time as Cllr Mock was not present.

c. Accessway to Pavilion – update

Cllr Defries reported that Yarlington had agreed to contribute 50% of the cost of the repair and they had a preferred contractor from the quotes received. She explained that it was important to obtain an Undertaking to Pay from Yarlington and a formal quote for the PC's share before putting it to the council for the final decision. It was agreed for this to be considered at the next meeting, with a proposed April 2020 commencement, subject to giving adequate notice to residents and Pavilion and car park users.

ACTION: Cllr Defries

20/12. Village Defibrillator general report and funding up date.

Cllr Defries reported that she had received the first defibrillator and was hoping to get a deal for purchasing a further defibrillator and 2 cabinets. The clerk reported that she hadn't yet received the money from the Rapid Relief Team to purchase the 2nd defibrillator and would chase it up. The question of purchasing a 3rd defibrillator to be installed in the adopted phone box in Milton was raised and it was agreed to look into the possibility, should funds allow.

ACTION: Clerk & Cllr Defries

20/13. Cemetery & Churchyard.

a. Clerks report

The Clerk reported that she had received £100 for a memorial in the name of John Hedley White and a request for an ashes interment in an existing cemetery plot.

b. Church wall repair

Nick Bluck reported that he had received 2 quotes and was waiting on a 3rd quote. There was a question raised regarding the listed status of the wall and the clerk agreed to check with the SSDC Conservation Officer. Cllr Parker asked for it to be on the next agenda.

ACTION: Clerk

c. Cemetery extension

Cllr Thomson reported that the boundaries of the extension were broadly agreed with wooden post markers in place. There needed to be a further meeting with the adjoining landowner to confirm the exact boundaries but Cllr Defries recommended to put the legal title in for first registration which will show the legal boundary. Much discussion centred on the access path to the cemetery, which needed to be agreed. Cllr Thomson & Cllr Defries agreed to look at this and determine the rightful access prior to submission of First Registration. Cllr Thomson reported that he had consulted with SSDC planning to determine if permission was required for the new cemetery extension. The situation was still unclear and would be reported back at a later meeting.

<u>RESOLVED</u>: It was proposed and agreed to incur expenditure of £200 and apply for First Registration of the Cemetery extension, subject to determination of rightful access, in the name of Ash Parish Council.

ACTION: Cllr Defries

d. Cemetery charges

Cllr Thomson presented a spreadsheet with a number of local cemetery costs, for comparison. Whilst is was thought that charges for Ash Cemetery were low, due to having been raised recently it was agreed to check with cemeteries of a similar size in 6 months before making any changes. Cllr Thomson also recommended that Ash Cemetery charges should be available on the Ash website.

<u>RESOLVED</u>: It was proposed and agreed to publish the Ash Parish Council Cemetery Charges on the Ash Parish Council website.

ACTION: Cllr Groves

e. Draft Cemetery rules

Cllr Tomson had emailed proposed Ash Cemetery Rules prior to the meeting. It was agreed to consider these at the same time as the updated charges.

20/14. Finance.

a. To consider and approve the financial report to date.

<u>RESOLVED</u>: It was proposed and agreed to accept the cashbook and bank reconciliation as presented.

b. To approve purchase of printer (50%), presentation screen, clerks training (25%).

<u>RESOLVED</u>: It was proposed and agreed to approve 50% of the cost of the purchase of a printer, a presentation screen and 25% of the cost of the clerks training course.

c. To consider payments for authorisation.

The following payments were presented for approval and signature:

J Ferguson Clerks salary and expenses £436.82

HMRC PAYE £107.40

J Ferguson Printer £167.46

J Ferguson Printer £167.46
Play Inspection Company Annual inspection £90.00
Richard Vaughan Village car park fence repair £115.00
A Groves Grit bin £116.27
SSDC Ranger (Nov19) £173.16

RESOLVED: It was proposed and agreed for the payments presented to be approved and signed.

d. To consider quotes for a fireproof safe.

It was decided that an A3 fireproof safe was required due to the size of the cemetery records. None of the quotes presented were suitable therefore this was deferred to the next meeting.

ACTION: Clerk

20/15. Parish Council Administration

a. Parish Council Facebook page

Cllr Groves offered to set up a Facebook page for 'Ash Alerts'.

<u>RESOLVED</u>: It was proposed and agreed to set up an Ash Alerts Facebook page and for Cllr Groves to be the Administrator.

ACTION: Cllr Groves

b. Protocols for Ash Parish Council email

Cllr Groves asked the clerk to provide an agreed email rules of use.

ACTION: Clerk

c. Website accessibility & mobility regulation

The subject was discussed briefly and Cllr Groves explained that the current website was compliant with the Public Sector Bodies Websites and Mobile Applications (No.2) Accessibility Regulations 2018. It was decided to continue with a single Parish Council & Village website.

<u>RESOLVED</u>: It was proposed and agreed that no changes were required by the website at this time.

20/16. Public open session.

There was nothing raised in the public open session.

20/17. Chairs award for service to the community.

To resolve to exclude the press and public under s1 (2) Admissions to Public Meetings Act 1960 as publicity would be prejudicial to the public interest by reason of the confidential nature of the business to be transacted.

Cllr Parker asked for all nominations to be sent to the clerk before the next meeting at which time a decision would be made.

ACTION: All Cllrs

20/18.Date of next meeting: 2nd March 2020

ASH SCHOOL

Before we broke up for half term we had work men on site to remove our old boiler and replace it with a new one. Although it was a little disruptive, we are now pleased as the new boiler is in place and working beautifully. The previous one had been in place for over twenty years so we had done very well with it. As it is quite cold at the moment having a more efficient boiler to heat the school has been very welcome.

We are excited about the activities planned for the rest of the Spring term. The Year 3 children are looking forward to their visit to Kilve Court in March. This is their first experience of going away for a residential visit and although they will be a little nervous we know they will enjoy the opportunity. The Year 6 children are very excited about their visit to Spain which will take place at the end of March. This will be the first opportunity for some of our children to go abroad and to experience going on an aeroplane. They are doing well with their Spanish lessons and are looking forward to speaking with the Spanish children.

We are currently running a healthy cooking competition and hope to be able to put a cookbook together to share the ideas which our children have tried out. The recipes are shared on the school website too so that everyone can access them. This activity has developed as we are working with a company called Zing who are cooking with the Year 4 children on a weekly basis.

Before we broke up for half term, the interviews for the new Headteacher took place. This is for September when Mrs Roberts, the current Headteacher will retire. It was a demanding process and the governors and representatives from County and the Diocese eventually decided on Mrs Rebecca Bennett. She is currently a deputy Headteacher and is excited about stepping up to lead Ash Primary School.

ASH SCHOOL

We were delighted to receive a letter from the Secretary of State for Schools to congratulate us on our results from last summer. We achieved 100% for our writing in Year 6 at the end of the year. This places us in the top 100 schools in the country. We are very proud of the children and staff who worked so hard to achieve these results. We are also proud to be in the top 10 schools in Somerset.

On Tuesday 11th February we held our second lunch for people from the village. It was a delicious Roast beef and all the trimmings followed by a fruit crumble and custard. It was lovely to see 40 people attending and the feedback has been very positive. We will be holding our next event on Thursday 2nd April just before our Easter break. I hope that we will be able to welcome many people again to the village hall for this event. Further details will be publicized soon.

We are also holding our Mothers' Day service on Friday 20th March and this will be followed by tea for those who wish to attend. The PTA will be organising the refreshments and we would be delighted if people from the village wished to join us for the service and tea. Please contact the school for further details on 01935 822674.
