Jubilee Celebration Working Group

At the planning meeting held on 16th February, which included four members of the Parish, (Jubilee Celebration Working Group), it was decided that we would plan to celebrate as follows:

Thursday 2nd June

Join the planned, nationwide Beacon tribute to Her Majesty.

Saturday 4th June

An afternoon, family friendly, event at the Recreation Ground.

Sporting activities such as rounders or cricket, own picnics etc, but with a bar and BBQ also available.

Sunday 5th June

Encourage people to hold their own Street Party, very much like the VE Day celebrations (no road closures).

2pm is the 'Official' time to celebrate, so Nick is going to speak to Joel, to see if he would be prepared to 'bugle' a tribute at that time.

Also:

To raise funds and purchase seven native trees, one for each decade of Her Majesty's reign to be planted at possibly the Recreation Ground??

Exact location to be decided.

To run a 'Best Decorated House' competition, with a prize of some description.

It was suggested that it would be lovely to give the children something to mark the occasion. To avoid any duplication, Steve is going to speak to the school, to see if they have plans to give the children something to commemorate the Platinum Jubilee.

Please come along to the next meeting on 9th March 2022, 7.30pm at The Pavilion we would welcome your ideas and offers of assistance.

Councillors Bluck & Coombes had removed the redundant and faulty play equipment and believed that very soon the smaller apparatus would need to be removed also. It was hoped that the new equipment would give a much-needed boost to the play area, being the first phase of a larger & longer plan.

21/155 Pavilion, Recreation Area and Playground – To consider & approve scheme for new play equipment installation

Councillor Guy presented two packages for PC consideration, with a recommendation that the larger installation represented better value for money and would make a more significant impact on the field. It was agreed that this would be the first phase, with the next phase hopefully securing some grants in addition to PC match funding. Concern over the surface installation detail was expressed and councillor Guy agreed to speak to HAGs to agree the best option for this location.

RESOLVED: It was proposed and unanimously agreed to instruct HAGs to install play equipment at a cost of £29,744.73 (fixed cost), subject to site location and surface installation detail agreement.
